PHOENIX MERCURY vs. SEATTLE STORM

KEYARENA | MAY 4, 2016

STORM HEAD COACH **JENNY BOUCEK**

On thoughts of the game

"I think we'll learn a lot from it. I already think we've learned a lot; I think all of our players will walk away from this both tonight and after watching the film and we'll learn a lot; it's our starting point and you can't really recreate a WNBA game without playing one. You can't do it in practice; as much as you try to bring guys in, it's just different. So I think we'll learn a lot."

On Breanna Stewart's performance

"I thought she did a lot of good things but you can see she's having to think more than she will and her instincts are so good that those will come out more and more as she gets settled."

STORM FORWARD **BREANNA STEWART**

On how it felt to play in her first professional game

It felt good. It's exciting. I was looking forward to it. I guess it made things a little easier for an 11:30 game. You know, it's your first WNBA game and you can't wait to get out there."

STORM GUARD **JEWELL LOYD**

On early lessons to be learned from the first preseason game

"I think we can score pretty easily on offense, and we still got a long way to go on offense, but defensively we got to make sure we're rebounding and doing the little things. Definitely focus on the little things. "
