## WASHINGTON MYSTICS vs. SEATTLE STORM

### KEYARENA | JULY 15, 2016

STORM HEAD COACH **JENNY BOUCEK**.....

**(On positives of tonight)**

"Our defense is what I liked the most. We've been working really hard at that, so I was really pleased with our defensive intensity tonight."

**(On Kaleena Mosqueda-Lewis' play off the bench)**

"She's been a much needed presence off the bench. She can really shoot the ball when she gets going, and that has showed in the last few games."

**(On chemistry between Jewell Loyd and Breanna Stewart)**

"There's no way to explain it. It's not something that can be taught. I have no idea how they do it, but they seem to really enjoy playing with each other. It's fun for everybody to watch."

STORM GUARD **JEWELL LOYD**.....

**(On how important this win was)**

"It's huge. It's a statement win for us. Obviously having Lauren (Jackson) here made it a statement game and that just helped us in getting our momentum going for this next stretch."

**(On growing connection with Breanna Stewart)**

"We really want to use each other a lot. She gets a lot of attention and so do I. We can kind of help that out by spreading the floor and just using our talent. Anyone on our team could go off for 20 points on any day, so we really just like to play off each other and help each other out."
